

“Their French Tutor is absolutely world class!”

You're normally in a group of 3-7 people in the heart of Paris. ... The sessions are very interactive and fun.”

“I was very happy with my course with Agnès. She is a great teacher and I learned more in two weeks with her than I did in 2 years at school.

Thank you!”

“Super course!” - Gaia Leuzzi

“The group is very good and the teacher is very competent and helpful. He has been able to adapt to the different levels and needs by also creating a good atmosphere, which is one of the most important factors in learning. Overall good experience.”
